 Whaling Bk. Andrew H. Hicks of New Bedford
 has a ~~Chace~~ master. Lat. N. Lon. W.
 Civil time.

14 Crew got aboard at eleven
 A.M. Took the anchor & the
 tug Jesse Sherman started to
 tow us out of the harbour. found
 our rudder too stiff. dropped
 anchor at 10³⁰ P.M. off Clark's Point
 & owner went ashore with the
 friends of the crew. took a-
 shore the tiller straps. at
 1 P.M. three carpenters came
 aboard and tried to clear the
 rudder without success. they
 worked until 12 midnight.

15 Light S.W. wind. lighter
 came along side at 9 A.M. &
 we took the rudder & re-
 fitted & painted. A diver helping
 got rudder hung. At 3 P.M. took
 the anchor & towed to sea.
 & light S.W. wind. S.W. & W.S.W. tug
 let go at 5:30 P.M. & we
 kept S. by E. by compass passed
 V. Sound buoy at 6:30 back
 under top gallant sails & courses.
 Light breeze & hazy.

16 Light air from E. all sail set.
 course by compass S. P.M. S.S.E.
 employed over hauling &
 getting ready for whaling.
 Engineer had a fainting fit
 this P.M. but soon recovered.
 So ends this day.

17 Light air & calms. hazy.
 employed getting boats ready
 for whaling & overhauling generally.
 steering S.E. but going slow.
 all sail out. no observation of sun.

18 Calm & thick haze. saw one passing
 steamer. light air from N.W. at 6 P.M. barometer
 dropping. furled royals & after sail. course
 E by S by compass.

- 14 Fresh N. wind all sail out course S E x S. & S x W 1/2 W. after 12 M. employed at odd jobs & at work on galley.
32 15 23 10
- 15 Light N. to N.N.E. all sail out steering S x W 1/2 W. clear with smooth sea.
30 32 23 45
- 16 Light N.E. all sail. course S x W. saw shoal blackfish & pier squid. employed at scraping down masts & etc. at work on galley.
29 W 23 50

Journal of Bark Andrew Hicks of Lat N Long W

- Nov. 17 Smart E. wind today. all sail out
steering S.W. by compass. 5 P.M.
saw three sail standing to S.W.
at work on galley & other odd jobs
27 11 23 58
- 18 Mod. E.N.E. all sail steering
S + S.W. saw nothing. employed at odd
jobs & on galley.
S S S S S 24 18 23 07
- 19 Mod. E.N.E. saw forwiser. all sail out
steering S. by W. (compass course)
finished the new galley.
21 44 22 56
- 20 Moderate E. wind. all sail out
steering S.W. by compass. passed French
steamer Governor Landshere. she going
to N + E. employed at odd jobs.
Painted the new galley.
S S S S S S S 19 35 22 54
- 21 Strong E.S.E. until 7 A.M. then light & baffling
V went to S.E. bark close hauled. then on
port tack. saw Isle of Sal at 12 M. kept
ship S.W. by W. by compass at 7 P.M. wind
increasing slightly & going back to E.
so ended. Lashed galley down today.
S S S S S 17 26 22 52
- 22 Light from N.E. ship abreast "Caracol", St.
Nicholas island. lowered a boat & Capt. went
in & saw Mr. Freitas Sr. Custom House official
ordered us not to anchor but to proceed to
"Peguiza" (the Port of Entry) before we could
land. came aboard & stood off shore under
the gallant sails & foresail.
S S S S S 16 39
- 23 Light air & calm. anchored off Peguiza
at 3 P.M. air allowed us to reach outer edge
of bank. when breeze struck from land forcing
us to anchor in 19 fathom waters. got
Pratique after a lot of Parleying over our
Bill of Health. after anchoring got a sledge
anchor & fitted for kedging in tomorrow morning.
So ends this day
Custom officer on guard on board.

- 1908
- Nov. 24 Strong & steady wind from N. carried out a sledge anchor this morning but did not attempt to haul in as wind got too brisk. entered at port custom house. sent 3 men of crew and watch ashore at 12. also a few of port watch who left substitutes from shore. have 65 fathom chain in the water. Two custom guards on board.
- 25 Strong breeze & misty with. Took on board pig, sent 3 bananas & oranges. Eggs arranged. Ends another day.
- 26 Strong & misty breeze from the land today. Had 3 bananas & 1 ham. got a lot of canned oranges & 1 pig, sheep, food & pumpkins from shore today.
- 27 Moderate wind. Still at anchor at "Requiza". Capt. Mr. Santos took a boat & went to Lascaol & back today. Bought two large pigs.
- 28 Moved stove into new galley today.
- 29 Mod. North wind. Lying at anchor waiting for crew. got 3 pigs, 3 bananas & 1 pig.
- 30 Moderate breeze from N. Took anchor at 3.30 PM & went to sea. Saw S. S. by compass. Three men deserted. John Elizabeth, Manuel & 1 shipped for man & a boy. Ends this day.

## Journal of Capt Andrew Hicks

July 30 strong S.W. wind bark under lat Long  
 short sail by wind watch  
 employd General work at  
 10 A.M. we game  
 W. to Garzier schooner so nothing  
 today.

31 Moderat North wind bark  
 under all sail steering S.W. by  
 compass watch employd  
 General work we game  
 schooner Garzier so nothing  
 today.

August 1 Moderat North wind bark  
 under all sail steering by wind  
 at 5 P.M. lower down all  
 4 boats got one whale the  
 schooner Garzier got 2 whales  
 at 7 clock got the whale  
 long sail.

2 Moderat wind from N.E. bark under  
 short sail cutting whales at  
 5 A.M. raise school of sperm whales  
 lower down all 4 boats got 2  
 whales at 3-30 P.M. penis cutting  
 and schooner Garzier got 2 whales.
